

**Clarence Landcare Incorporated
High Risk Gully Rehabilitation Grant Project 2006**

PROPERTY : Merye White / Steve Gonano
AREA : Kangaroo Creek
PROJECT No : HR003
FUNDING : \$*****
LANDHOLDER INKIND : \$*****

AIM : Control and minimise gully erosion, provide a native corridor and wildlife refuge.

METHOD : Fence off gully to exclude livestock, stabilise gully banks through revegetation on banks, installing hay bales and using fallen timbers to prevent gully wash out.

Photo : Gully line affected by extreme water pressure

Photo : Newly constructed fenceline to prevent stock access into gully area.
